The Washington correspondent of the Courier-Journal says:

It is understood that Judge Plister and Col. Caldwell, who have represented their districts so efficiently, will not be candidates for re-election. They have both been hard, conscientious workers, and why they are not coming back can not be satisfactorily explained to their colleagues.

At the cabinet meeting Secretary Folger reported 60,000 Chinese laborers, under contract in Cuba and desirous of returning to China, have applied for permission to go through the United States in transit. The question was generally discussed, and the conclusion reached was that, under the provision of the recent Chinese bill, permission could not be granted. It was represented that the Chinese were under great hardships, and unless allowed transit through the United States would be obliged to go home by way of England.

Still Following Garfield.

The Albany Express, the Stalwart organ of the Carnell administration says: It is not pleasant to think of Gen. Garfield as a man who deliberately sought to undermine his chief and who, while partaking of his hospitality and enjoying his confidence, was writing "confidential" letters to a prominent member of the cabinet for the purpose which could not be concealed,—that of procuring his removal from command. But, after all, was not the act of 1863 supplemented by the act of 1880, at Chicago? As we remember things, Gen. Garfield went to Chicago as the friend of Secretary John Sherman,—and to nominate him for President. He came away from Chicago bearing the Presidential nomination himself! Well, one after one our idols are shattered, and as we grow old and gray our confidence in human nature gets treated to some terrible wrenchers. But it is a good thing, after all, to have history correctly written. Men ought to be judged by the record they make. Deceit and hypocrisy ought not to be canonized.

Kendall's Spavin Cure.

The Most Successful Remedy ever discovered, as it is certain it effects and does not blister. READ PROOF BELOW.

From Rev. P. N. GRANGER.

Presiding Elder of the St. Albans District. ST. ALBANS, VT., Jan. 20, 1880. DR. B. J. KENDALL & Co., Gents:—In reply to your letter I will say that my experience with 'Kendall's Spavin Cure' has been very satisfactory indeed. Three or four years ago I procured a bottle of your agent, and with it, cured a horse of lameness caused by a spavin. Last season my horse became very lame and I turned him out for a few weeks when he became better, but when I put him on the road he grew worse, when I discovered that a ring-bone was forming, I procured a bottle of Kendall's Spavin Cure and with less than a bottle cured him so that he is not lame, neither can the bunch be found. Respectfully yours, P. N. GRANGER.

Perseverance Will Tell.

STROUGHTON, MASS., March 16, 1880. B. J. KENDALL & Co., Gents:—In justice to you and myself, I think I ought to let you know that I have removed two bone spavins with 'Kendall's Spavin Cure,' one very large one, don't know how long the spavin had been there. I have owned the horse eight months. It took me four months to take the large one off and two for the small one. I have used ten bottles. The horse is entirely well, not at all stiff, and no bunch to be seen or felt. This is a wonderful medicine. It is a new thing here, but if it does for all what it has done for me it will be very great.

Respectfully yours, CHAS. E. PARKER. KENDALL'S SPAVIN CURE is sure in its effects, mild in its action as it does not blister, yet it is penetrating and powerful to reach a every deep seated pain or to remove any bony growth or other enlargement, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects.

Send address for illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for best as well as man.

PILES! PILES! PILES!

A Sure Cure Found at Last—No One Need Suffer!

A sure cure for blind, bleeding, itching and ulcerated piles has been discovered by Dr. Williams' (an Indian remedy,) called Dr. Williams' Indian Ointment. A single box has cured the worst chronic cases of twenty-five or thirty years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electricities do more harm than good. Williams' Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed,) acts as a poultice, gives instant and painless relief, and is prepared only for piles, itching of the private parts, and nothing else.

Read what the Hon. J. M. Coffinberry, of Cleveland, says about Dr. Williams' Pile Ointment; I have used scores of pile cures, and it affords me pleasure to say that I have never found anything which gave me such immediate and permanent relief as Dr. Williams' Indian Ointment.

Dr. Frazier's Root Bitters.

Frazier's Root Bitters are not a dram-shop whisky beverage, but are strictly medicinal in every sense. They act strongly upon the liver and kidneys, keep the bowels open and regular, make the weak strong, heal the lungs, build up the nerves and cleanse the blood and system of every impurity.

For dizziness, rush of blood to the head tending to apoplexy, dyspepsia, fever and ague, dropsy, pimples and blotches, scrofulous humors and sores, tetter, ring worm, white swelling, erysipelas, sore eyes and for young men suffering from weakness or debility caused from imprudence, and to females in delicate health, Frazier's Root Bitters are especially recommended.

Dr. Frazier: I have used two bottles of your Root Bitters for dyspepsia, dizziness, weakness and kidney disease, and they did me more good than the doctors and all the medicine I ever used. From the first dose I took I began to mend, and I am now in perfect health, and feel as well as I ever did. I consider your medicine one of the greatest blessings.
